

## Tender Touch

We are here when you need us. With today's fast paced lifestyle and the increasing costs of health care, more and more families are turning to home care for their loved ones. Families need both reliable and well-supervised care. This is where Caring Hands Matter comes in the home to assist with care. We are the answer to the care that your loved one deserves. Caring Hands Matter provides individualized care to assist with the activities of daily living. In addition, we provide trained and qualified assistance to those who need personal care. We are licensed, insured and bonded.

## Reliable Staff

Caring Hands Matter provides quality caregivers who are well trained and have a heart to care for others. They are empathetic to the individual needs of those to whom they provide assistance. Our staff is reliable and flexible to the needs of every individual. All staff is thoroughly vetted with a nationwide criminal background check and driving history. We can provide care for a minimal number of hours up to 24 hours a day; every consumer is assessed for a plan of care.

## "We Bring Caring to Your Home"

Our mission is to deliver excellence in quality care to your loved ones. We demonstrate core values with professionalism, integrity, ethics and community outreach.

## Our Companionship Services

Companionship is a prominent need in everyone's daily living. Our companions provide conversation and encouragement to stimulate mental awareness and establish a friendly relationship. Companions will assist with home tasks, which may include meal preparations, arranging and driving to appointments, laundry, organizing and other areas of home assistance.

## Personal Care Services

Personal care provides specialized care to those in need of assistance with bathing, dressing, feeding, grooming, incontinence care and mobility. Our compassionate aides will assist your loved one with quality care for their personal needs.

## Alzheimer's and Dementia Care

Our care is personalized to the needs of those who are affected by this condition. We are trained and experienced to provide this specialized care to those with memory loss. Our staff's caring hands give consistency, compassion and understanding to those who are cared for.
